## YOUR INVITATION TO THE HOSOKAWA ALPINE INDIAN MINERALS SUMMIT 29<sup>TH</sup> NOV. 2018, UDAIPUR, INDIA FACE THE TRENDS AND THE GROWING MARKET

- » Finer products
- » Higher quality
- » Shape of particles
- » End to end cost effective solution

Hosokawa Alpines Global Director of Minerals and Metal Division Mr. Paul Woodward will present the papers covering various subjects as below:

- » The current trend of key Minerals across the globe
- » Key happenings in the key sands being used by industries for various niche applications
- » The interaction on end market opportunities
- » Hosokawa Alpine's role in helping its partners from the Mineral Processing Industries to grab these market opportunities with its unique technology and services

Keeping the above agenda as the main objective, we are indeed happy to share that we have decided to make this event with the help of UCCI to make this Seminar a grand success!

The participation is free of charge.
