PHD Chamber of Commerce and Industry along with the Indian Institute of Architects announces the 7th Edition of its grand expo, ArchiBuild, now upgraded to **INS&OUTS**, in a much-larger format with many more specialised pavilions to showcase the innovative products in Construction, Architectural Design, Structural Engineering and Interiors for optimum utilisation of Space, Energy and Security Management and also Internet-of-Things and how it is helping build Smart Offices and Smart Homes.

The concurrent convention on **INS&OUTS** shall deliberate on "Innovation and Future of Architectural Design & Construction", which shall see participation of many National and International stakeholders including Architects, Develops, Policy Makers and Academicians.

and Experts, Policy Makers and Academicians.

- CONSTRUCTION AND BUILDING MATERIAL
- FURNISHINGS AND FURNITURE
- INTERIORS AND EXTERIOR DESIGNS
- REAL ESTATE
- SERVICES, TECHNOLOGY & SMART HOMES.

B2C/B2B EXPO

The 3-day event will have B2C as well as B2B exhibit area spread over 5 pavilions at Parade Ground in Sector 17, Chandigarh. With expected footfall of over 1 lakh, this event shall be the best place for every organisation, public or private, to showcase its products, services, and technological breakthroughs to a highly discerning audience.

NETWORK WITH POLICY-MAKERS & INDUSTRY LEADERS

This is one platform where PHD Chamber of Commerce and Industry and the Indian Institute of Architects, bring together the senior government functionaries, policy makers, urban planners, thought-leaders from leading architects and engineers to pave way for a sustainable and eco-friendly growth of country's infrastructure. Besides, giving the consumers an opportunity to choose the best and the latest innovative products available in the marketplace.

CONVENTION SMART PLANNING & ARCHITECTURE FOR INDIA

The Convention shall feature some of the noted speakers and creative designers from India and abroad who will be presenting case studies of how they are shaping the future of human dwellings.
